WORLDS OF CHOICE

To help you quickly find your ideal promotional items, each product description is accompanied by a logo depicting one of four Worlds – Bullet, Avenue, Label and WorldSource – which identify giveaways, gifts, apparel and customisation options, respectively. Thanks to an impressively broad range of quality decoration techniques, all items can be personalised with all kinds of different looks, and even feels! And in many cases, you can choose the positioning of your decoration.

Whether you want big and bold or subtle and stylish, our endless range of possibilities means we can work with you to create your own perfectly unique promotional products.

COMPLIANCE IS JUST THE START

Protecting your organisation's reputation and looking after your people means always being vigilant about the purchases you make. The items offered in this catalogue are compliant with relevant European law.

Our supplier company strongly believes in good corporate citizenship through product compliance and a sustainable supply chain. They operate a voluntary programme to meet social, legal, ethical and economic responsibilities and are committed to driving

real change towards sustainable development.

This means that when you purchase products from us, you can do so with the reassurance they have been produced in line with a Code of Conduct based on the UN Global Compact principles regarding human rights, labour, environment and anti-corruption, which includes a strict zero-tolerance policy towards child labour and forced labour.

SERIOUS ABOUT SUSTAINABILITY

Our supplier is highly conscious of how their operations impact the environment and is committed to sustainable practices. The decoration facility where your items are personalised is certified to ISO 14001, showing that ecological issues are taken very seriously in the overall production process.

Tangible results in sustainable printing have already been realised here. Investments and implementations in 2016 reduced ink waste by 40% and drastically cut down on the amount of chemicals used for cleaning. All of which goes a long way to ensuring your promotional products and apparel enhance your reputation without destroying the world around us.

PACKAGED TO PERFECTION

First impressions count for a lot. That is why we pay special attention to our gift packing.

Bullet giveaways are fuss-free items for which you want fast and easy handling. Packaging for these is therefore basic and functional.

Avenue items and branded products are gifts which require more impressive presentation. These are therefore supplied in gift packaging, often specially designed to match the product.
